# Workshop: Dealing with resistances

Barcelona, 18-19 November 2019

Organised in cooperation with the Horizon 2020 project [ACT](#)

Facilitator: Lucy Ferguson

## Learning objectives:

- To enable participants to explore and reflect on the different forms and categories of resistances
- To make participants more confident with experiencing resistances
- To equip participants with the analytical tools required to deal with resistances
- To support participants to develop practical tools and strategies to address resistances in their own institutions
